

Easter Fun!

Here are some fun ways to celebrate Easter safely at school and child care:

- *Decorate Easter themed colouring pages.*
- *Play Easter games such as Easter picture bingo.*
- *Organize a virtual Easter egg hunt.*
- *As bringing and sharing treats in school is not recommended, share fun ideas for creating bunny shaped foods at home, such as bunny shaped pancakes served with fruit, bunny shaped sandwiches served with carrot sticks.*

Easter could be the perfect opportunity to ask students to share some positive changes they have seen or felt since the pandemic has started.

No matter how you decide to celebrate, always remember:

- Wear your mask.*
- Wash your hands or use hand sanitizer often.*
- Maintain physical distance.*
- Mixing of cohorts/classes is not recommended.*
