### **POSITION SUMMARY:**

Under the direction of the Program Manager, the Public Health Promoter is a member of an interdisciplinary team guided by Harm Reduction and Substance Use program requirements outlined within the Ontario Public Health Standards and other local public health mandates. Work will be based on program needs that focus on supporting individuals, communities, and programs offered by Northeastern Public Health. For more information on Northeastern Public Health, please visit our website [www.neph.ca/en/](http://www.neph.ca/en/).

### **QUALIFICATIONS:**

- Bachelor's degree in health promotion or related field with health promotion courses.
- Experience in program planning and implementation.
- Excellent oral and written communication skills
- Experience in social media and risk communication.
- Ability to work independently and as an effective team member.
- Strong organizational skills.
- Familiar with the Ontario Public Health Standards, Protocols, and Guidelines.
- Knowledge of harm reduction and substance use principles
- Ability to communicate in both official languages is an asset.
- Willingness to work flexible hours and travel as required by the program.
- Access to a vehicle and possession of a valid driver's license.
- Satisfactory criminal background check.
- Required to comply with Immunization policies, including COVID-19 vaccination, unless a valid medical exemption is provided.

### **HOW TO APPLY:**

Only those candidates selected for interviews will be contacted. Please apply to:
