The Rising Stars are an enthusiastic and talented group of older adults who use light hearted skits and humorous songs to educate their peers about important topics with memorable messages, in a fun and entertaining way. Rising Stars performances spread the word about healthy independent living, fall prevention, medication safety, elder abuse prevention and much more. Performances are done for community and church based groups and at luncheons and gatherings in Kirkland Lake and Area; reaching hundreds of older adults with important messages in a fun way. The group meets regularly to discuss and rehearse performances. Shows are typically booked between April and November. If you are over 55 years of age, have an interest for performance and want to help spread the word about important senior issues or are interested in booking a performance, contact Beverly MCChesney Rumble.
